

The College of Southern Idaho invites teachers who complete Idaho PLATO Learning Network (I-PLN) training to enroll at CSI for college credit.

EDUC 199E C03: Idaho PLATO Learning Network (I-PLN) (1 cr hr)

Participants are provided a general overview of PLATO I-PLN. Participants receive specific instruction on implementing I-PLN and specifically the ISAT Alignment and Remediation components.

***Cost: \$19.00**

Or students may take EDUC 199 Intro and EDUC 199 Advanced for a total of 3 credits

EDUC 199E C04: Advanced I-PLN (2 cr hrs)

Participants are provided a general overview of PLATO I-PLN. Participants receive specific instruction on implementing I-PLN and specifically the ISAT Alignment and Remediation components.

Additional credits: Participants complete further, more in depth, projects utilizing the curriculum management and delivery capabilities of I-PLN. Utilizing Blackboard (discussion boards, sharing ideas etc.) participants also receive and share additional instruction and implementation ideas utilizing I-PLN in differentiated instruction.

***Cost: \$98.00** (\$19.00 per credit plus \$60.00 class fee.)
